re: Eddie Jacobs (c)

Dear Mr. Manley:

Please let me know whether or not the above subject has reported to you to play ball this season. If so, let me know at once if he is going to play ball with you this season and I will hold up extradition papers. He quit his job at the Chesapeake Paper Company here and did not come by the office to let me know anything about this.

If you will recall last season he played for your ball club until July 4 and at that time you wrote me that he was given a round-trip ticket to Richmond but did not return. Please let me know what you will pay him and if you will deduct the money each week for the support of his three small children.

Please let me have this information as soon as possible.

Very truly yours,

Luther C. Tanner
